

Hack in The Class

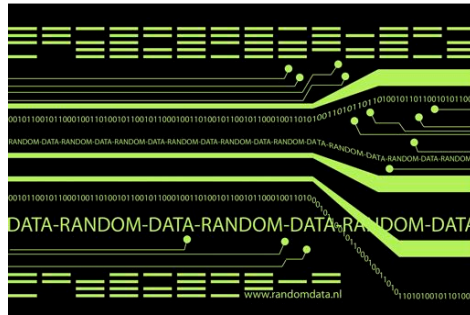

hackinthebox
Keeping Knowledge Free For Everyone & Everywhere

Barry "Fish" van Kampen
Hero de Haan

Who is Barry / Fish_?

THE S-unit

Who is Hero

- One of the parents
- Working for Comsec global (another commsec)

Vission

The current **school system** in the Netherlands is **too generic**, it's for “all kids”.

Science skills are **dropping**

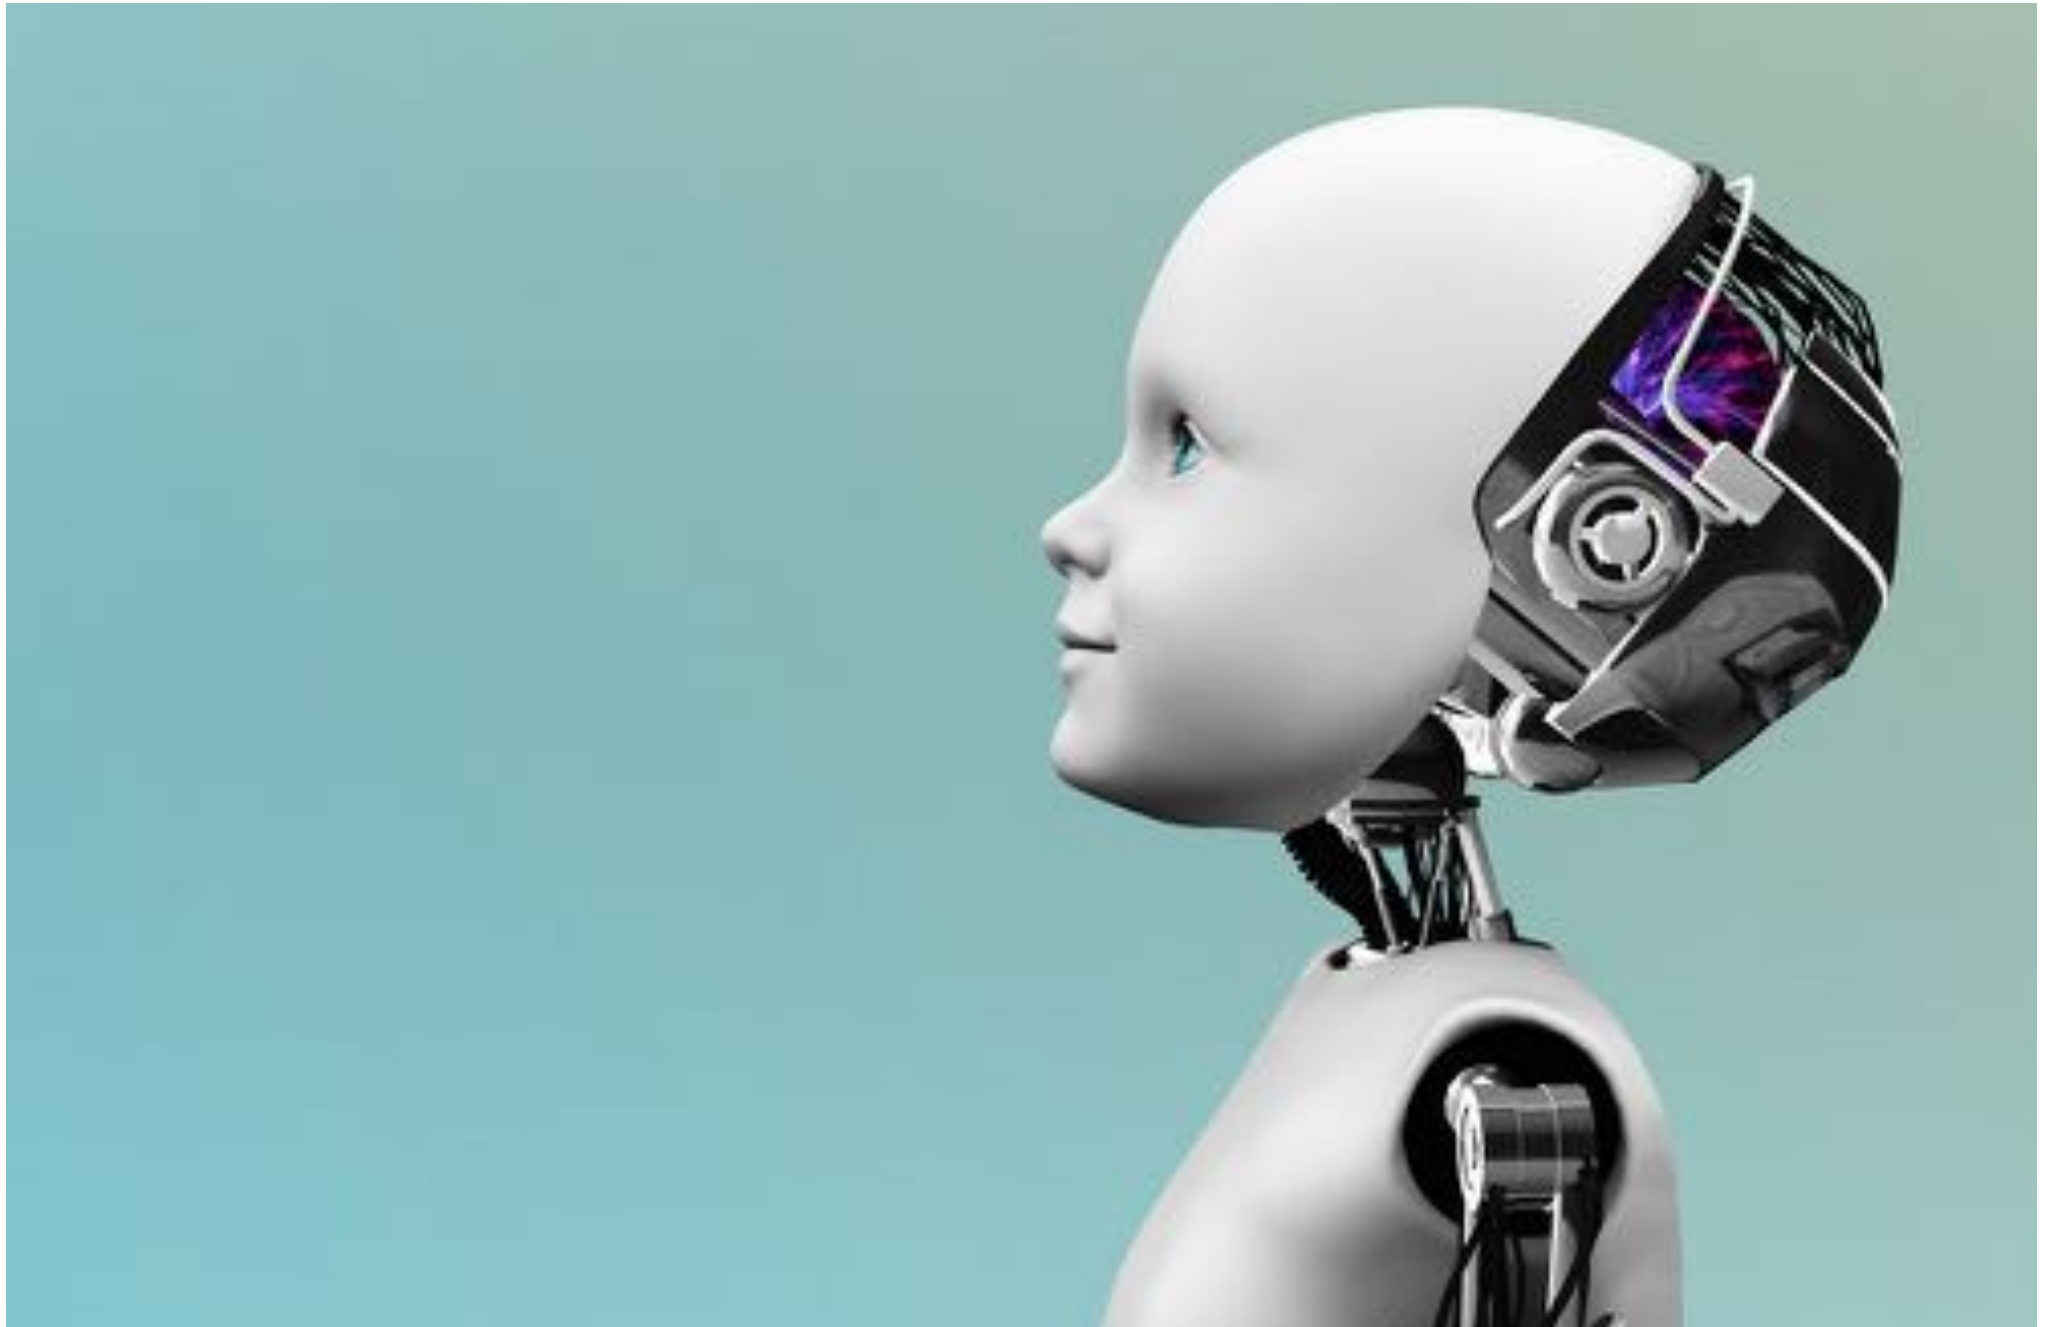

Problems:

- A) Not enough Cyber hygiene
- B) Junior hackers not “activated”

Mission

Mission

Goals

Alpha phase:

- Learn!!
- Do do do
- Community startup
- Communication

Beta phase:

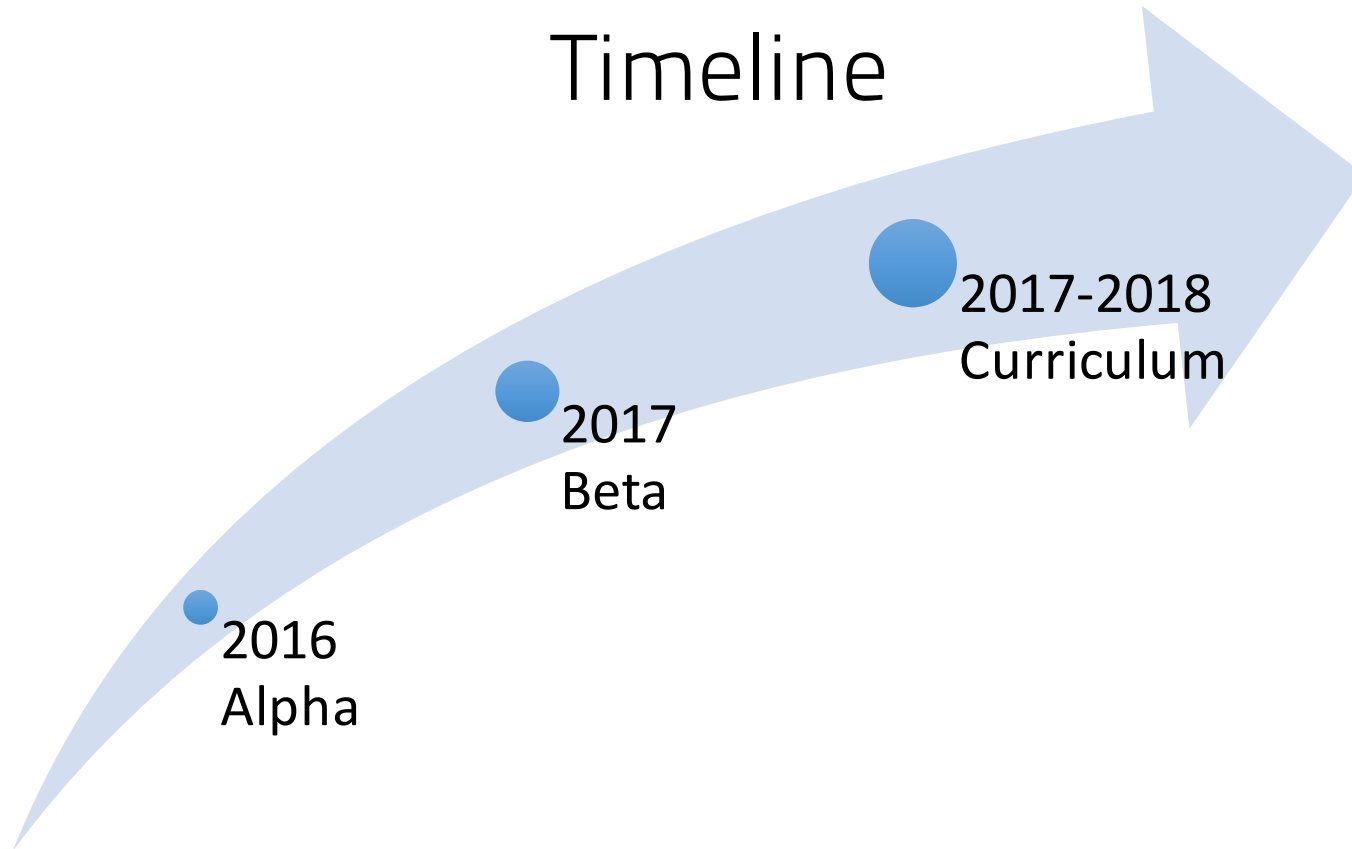

- Create “tools” and resources for schools to use
- Cyberhygiene and hackerclasses
- Teach the teacher
- Share and improve
- Create a Dutch School curriculum
